

THE GIFT THAT KEEPS ON GIVING!

GIVE THE GIFT OF GIVING
45% of all adult consumers used Electronic Gift Cards last year, spending an average of \$200!

INCREASE REVENUE
Unused card balances equals money in the bank and 61% of consumers spent more than the card's value!

FLEXIBILITY
Custom amounts and reloadable cards offer more convenience than paper gift certificates; no change to give encourages repeat visits!

TIME- SAVING
One simple swipe and the transaction is complete! In many cases, you can even use your pre-existing credit card terminal

COMPETE WITH THE BIG CHAINS
A professional-looking Gift Card with your logo prominently displayed is affordable to even the smallest retailers!

ATTRACT NEW CUSTOMERS
When a repeat customer gives out a Gift Card, that customer is personally endorsing and advertising your business to the recipient, The best way to invite new clientele!

REDUCE COST
When compared to the limitations and fraud concerns of using Old-fashioned paper gift certificates, Gift Cards save you money!

DO IT TODAY!
More than 50% of all transactions last year were done electronically. Shouldn't you be getting on that bandwagon today?
